

# THE CARDS ARE RANDOM!

*Deluge*

# POKER THE CARDS ARE RANDOM

Poker\* is a game of chance. Ability alone is not enough. **Because it's the cards that really choose what happens.**

| Year | Chess World Champion | Poker World Champion (World Series of Poker) |
|------|----------------------|----------------------------------------------|
| 2007 | Viswanathan Anand    | Jerry Yang                                   |
